ENSURE project: partners meet in Pesaro, Italy!

Associazione Alessandro Bartola will be the host of the 4th International Partner Meeting that will be held in Pesaro, Italy from 15th to 17th of October. The event, financed by the "Europe for Citizens" Programme of the European Union will gather 37 international participants from Slovenia, Croatia, Serbia, Czech Republic, Poland, Spain, Bulgaria, Latvia, Greece, Montenegro, Italy, Hungary and Romania.

During a three-days programme, partners will deal with different topics falling into the general subject of the event - "Common Agricultural Policy from a New Perspective". Partners will share their experiences on rural development policy and rural development initiatives in their countries as well as take part to a conference and discuss the present Common Agricultural Policy 2014-2020 and the proposals of new Regulations for the future CAP 2021-2027.

The event is co-organized with the School of Agriculture, the Accademia Agraria of Pesaro, the University of Urbino and the Associazione Produttori della Valle del Foglia. The Council of Region Marche and the Municipality of Pesaro have given their patronage to the event. Partners will also have a chance to visit a wine and olive oil new farm and taste the traditional Italian flavours through the local cuisine. A cultural program is also planned with a visit to Urbino and to its Ducal Palace.
